

When using the MSP website (<https://teleplan.hnet.bc.ca>) to send submittal files and receive remittance files, it is important to remember:

- Sending*
1. The file to be sent to MSP is always called **MSPSEND.DAT**
 2. It is always located in **C:\VISION**

Saving Remittance File from MSP Website

When the “Save in:” folder does not say VISION:

1. Click the “**My Computer**” icon on the left toolbar.
2. Double-click the “**Local Disk (C:)**” icon in the big white window.
3. Double-click the “**Vision**” folder in the big white window.
4. Type the filename “**receive.dat**” and click the **Save** button.
